

Zero Trust Application Access Release Notes

This document is the release notes for InstaSafe Zero Trust Application Access (ZTAA) features to be released on 10th February 2026. This document contains information on enhancements to mZTNA android agent and ZTNA agent.

General Notes

1. Minor modifications and bug fixes not significantly affecting the user experience are not a part of the release notes.

Major Enhancements

Component	Enhancements
Android Agent (mZTNA)	<ul style="list-style-type: none">- SSO Access on Mobile: Enabled listing and access of SSO and web applications in the mZTNA mobile app, aligned with the web portal experience.
ZTNA Agent	<ul style="list-style-type: none">- URL Normalization: ZTNA Agent now accepts workspace URLs regardless of letter case.

Bug Fixes

Sl. No	Bug Fixes
1	Resolved an intermittent issue where admin password resets failed with an encryption error and password complexity rules did not load correctly.
