Zero Trust Application Access Release Notes

This document is the release notes for InstaSafe Zero Trust Application Access (ZTAA) features to be released on 4th July 2025. It contains information on enhancements to app.instasafe.io console which include feature enhancements and bugs resolved.

General Notes

1. Minor modifications and bug fixes not significantly affecting the user experience are not a part of the release notes.

Major Enhancements

Component	Enhancements
Console	- Audit logs will now record events where users are disabled due to multiple incorrect password attempts. - Admins can now customize the number of allowed incorrect login attempts before account lockout - ZTAA Agent has been removed from the Downloads Page and Agent Release Page as part of product streamlining. - Added easier navigation for admins to return to the User Portal (Application Drawer) from the Admin interface.
